

Atria Supports the Yes Shelter For Youth And Families during the Holidays

Atria Development is deeply committed to the wellbeing of the communities within which we build. Our philosophy is to nurture a healthy and holistic relationship with the towns, cities and municipalities that our community residents are ecstatic to call home.

In support of this corporate value, we are delighted to provide financial assistance to Peterborough's Youth Emergency Centre (YES), empowering the organization's mission to reduce and prevent homelessness by providing shelter, education and transitional supports for youth and families in Peterborough and the Kawarthas.

As neighbours to our Y Lofts community, we look forward to enjoying a shared success in helping local citizens lead full and positive lives. YES successes in 2019/2020 include providing food relief for approximately 400 individuals in the community, and keeping 191 youth and parents safe and off the street in their Emergency Centre.
